## Terms and Conditions of Dining Services Agreement

1. Your dining card, the services it entitles you to, and the food you receive from its use are strictly NON-TRANSFERABLE. Never lend your card or leave it where it might be picked up and used by someone else. Protect yourself by taking care of your card, as you would cash or a credit card, and reporting it's loss immediately to the office of the Director of Dining Services or your Dining Hall Manager. The owner of a dining card is responsible for its security and proper use. **There is a \$25.00 fine for unauthorized use. Any person using someone else's dining card is also subject to a \$25.00 fine, and suspension of meal privileges. Dining Hall checkers are instructed to confiscate any card used by someone other than its owner.**

2. In accordance with College policy all Freshmen residents are enrolled in the Freshman 15 or Freshman Unlimited meal plan for the Fall & Winter Terms. The declining balance portion may be used in any Dining Service facility. Freshman who wish to keep Kosher may also utilize the Kosher Kitchen, which will be reimbursed for the number of meals they eat there. **In Spring Term Freshmen may choose the 15, 12 or Freshman Unlimited meal plans.**

3. Upperclassmen may choose either a Unlimited Access, 15, 12, 10, 7 or Block 30 meal plan. Both West College and Upperclass will accept Union College meal cards. The declining balance portion may be used in any Dining Service facility. Meal Swipes are useable weekdays as many times as you like. (On weekends you may use only one swipe per meal period.) Entrance to a Dining Room requires presentation of your ID/Meal Card to the checker, and a swipe for each entrance. **All meal plan changes must be made during the first 10 business days of each trimester to ensure correct billing for the Term.**
